My deepest sympathies on the loss of Carly. As a youngster I remember him coming home after being in the Army and, though I knew him very little, I have heard many positive comments about his community involvement, service throughout his life. Prayers for Ann, his children, grandchildren and all who shared his love.

I am so sorry to hear of Carly's passing. We played many games against each other in the early years, and I always respected him as a player, and a friend. Although we didn't see each other very much though the years, when we did, we always enjoyed talking about the old times. Our friendship seemed to get stronger , though the years. I will miss him, and he will always be, in my thoughts and prayers. Tim Snow, Au Sable Forks.

I did not know Carly well, but I did know he was an avid baseball player as many boys and men in Lyon Mountain were. I also knew he was a really good guy. He seemed to always have a smile on his face and be in a good mood. My sincere condolences go out to all his family and many friends.
