“ My Father, Gerald Peck spoke of Dale numerous times in passing when we were growing up. I believe they conversed regularly at the Peck family reunions when Dale would attend. I am sure, if he hasn't already he would wish to share his deepest condolences to the entire Tipping family. Please share the wonderful stories I'm sure you have of Dale with each other in this time of mourning and celebrate his life.

Respectfully,

The family of Michael J Peck, Theresa M Giel (love of my life), Kaylee M Peck (daughter) and Henry A Peck (son).
