“ For Sara, Dan, Elliott and Bob,
It was a shock to hear of the passing of David. Or as we called him, Deedom. I watched him grow from a very busy little boy to the man he became. He love to go fighting and bring his fish to Grandma DuVal. . If it was hunting season, he would bring her deer meat. David lived with us for a time in the mid 80's. It was a pleasure to give him a home. I will always remember him with a smile on his face. Rest in peace.
