“ Some of my fondest memories were from my childhood and always looking forward to visiting the Merrill Post Office to see some of my extra family. When I would walk into the Post Office (which was also their private home), Elliot would be the one to greet you and reach for your mail out of the box. One day he decided that I could enjoy getting my own mail and he taught me the combination to our PO Box-R-right, N-left. I loved it! Elliot was a very kind, compassionate, tender and caring individual. Those memories of my early years in Merrill with my Uncle Clare, Aunt Eva, Reg and Elliot are forever etched in my mind and my heart. With delightful memories full of childhood joy, and remembrance to all remaining family, Sincerely

“ I remember Elliot well from the Summers of the 1940's, 50's and 60's when he was always at the "P.O.", his home, ready to help and to have some friendly conversation. Tony Dutton

“ I knew Elliott from his time at Meadowbrook. What a sweet, kind soul with a gentle smile who asked for nothing in return. The world lost a great person when he passed. I know he missed his family; may they be reunited in heaven.
