“ My heart goes out to all of you now. Your Mom, Grandma was such a great loving Person. I always just loved when I would see her. Her smile lite the room and her eyes would tell a story. I have always thought of her after I left Chateaugay and even though she isn't there anymore I will still think of her and a smile will come to my face cause I was so blessed to know her. And I bet she is dancing.
