

Mrs. Patricia A. LaBarge

March 12, 1939 - March 24, 2020

Patricia A. LaBarge, formally of Churubusco, passed away unexpectedly Monday March 24, 2020 at her residence in Malone, NY.

She was born in Churubusco, NY on March 12, 1939. Patricia was the daughter of Oliver and Alice (Lagree) Silver.

Patricia's family was her life's treasures. A loving mother, grandmother, great grandmother, and friend to many. She would spend the majority of her days surfing the internet and emailing friends and family. Survivors include her son, Daniel LaBarge Sr. and his wife Melody; two grandchildren, Daniel LaBarge Jr. and wife, Mindy; Nicole Myers and husband, Jonathan; a step-grandson, Patrick Shatlaw and his wife, Kelly; a step-granddaughter, Ashely Bushey; 11 great-grandchildren, Trevor (Cheyenne), Elizabeth (Blake), Savannah, Arianna, Sophia, Carson, James, Emalynn, Alice, Gary, and Isabella. “ I'm so sorry to find this sad news. Pat and I about 10 years ago became e-mail pals. We did an online business together, and from there we always kept in touch by e-mail. Talking about life's ups and downs. Well....this is truly a down part of my life. She was such a sweet caring person. She called me her "NY Son"....and I called her my "NY Mother". What an honor to meet her online. Wished it could have been in person. Earth lost a great person, but Heaven gained a great soul. I will surely miss her. Thanks for the friendship Pat. My thoughts and prayers are with her family and friends right now. You touched so many lives Pat. I'm going to miss your Motherly love and caring.

“ I have lost a life long friend and in past few years a constant on my email communications, plus our exchange of books to read, my enjoyment of her crocheted items, her assist in ordering Stanley products, her sharing of her memories of my parents way back to my Dad acquainting himself to Oliver when Oliver worked the road job and Dad was just a young teen, then on up through my parents dealing with them at the store, nearly nightly- paying their bill monthly at the end of the month. and myself being the "first baby I held". My father, helping her Dad with repairs at the store, my Mom being like a sister to her, etc, etc. I have fond memories of that store, a picture of me in an apple crate- she called me the "apple Box Kid" to her death, and one of her and I with a bear hanging at the store. She always said she was "vertically challenged". I chuckled at that phrase. The last I saw Pat was just b4 Xmas when I delivered her a little red truck that she was so impressed with, (I hand tailored that truck to include a box of apples!) I think she had become the shortest ever, and we had a good chat that day. Now my computer screen is missing something....but deep in my heart is a memory of a loved one I know is happy to be reunited with her parents once again. My condolences to Danny, Melody and all of her family. She will certainly be missed. Rest in peace, sweet lady.

“ I just received the news about Pat passing away. I was so shocked and saddened to hear this. I worked with Pat at Tru-Stitch Footwear in Malone for many years. Her birthday was on the 12th of March and mine was on the 19th of March, so for many years we would go out to eat at a nice restaurant and celebrate our birthdays together. It was always so much fun! Then after Tru-Stitch closed, I moved to North Carolina, but we still kept in touch. I have many good memories of Pat. She was a lovely person and she will be greatly missed! So sorry for your loss! May God comfort each one of you during this difficult time.

“ Dear Cousin Pat,
Cuz, how I will miss you and daily emails to each other. I will miss our sharing times when I popped in with our favorite maple frosted donuts and coffee. I enjoyed delving into our Churubusco roots and talking of our French genealogy together and sharing our knitting and crocheting projects. I consider you one of my special angels up there now. Give my Garry and Mom and Dad a hug and kiss for me. You will always have a special place in my heart .
To Danny, Melody, children, grandchildren, and great grandchildren, I send my deepest sympathies at this very sudden loss. Keeping you in loving thoughts, and prayers always.

“ My dear friend Pat. We had so many things in common. When I came to the North Country from Rensselaer County after marrying my husband, Richard (Dick) Johnston, I learned that Pat knew my husbands family from the various venues that Pat was the demonstrator. I learned a lot about my knew family through her.

As we worked together for over 10 years, I had the opportunity to learn lots from her about "computer programs" etc. She taught me several things about the computer that I would have never known if she hadn't taken the time to teach me.

She had taught me several things about knitting and crocheting, unfortunately our last project will remain unfinished. She had written the pattern out for me, but I can't complete it without her. I am fortune to have seen some of her "fine wall hanging". I would stop by and we would discuss, options and suggestions.

I loved to pick her up and take her out for our monthly outings. Some days her legs would give her a bad time and I would say -- "I'll just pick you up and set you in the seat". Well then we would get to laughing - something she shared with me that she didn't do very much.

I am so glad that I had the opportunity to pop in with coffee and donuts last Monday and have a last visit with her.

Rest in Peace my dear friend. No one can take your place. Thank you for being a part of my life!
