“ To the family of Alma Moss Russell, I send my condolences from the Thomas family. My mother, Peggy Roberts Thomas, is a first cousin of Alma. We had no idea she had passed away. I just happened to do a search. I have a picture of my grandmother, Annie Hines Roberts and her sister, Beatrice Hines Moss, visiting NY State and the Niagara Falls area. I believe they were up visiting with Alma and Nap. Please know that you are in my prayers. Lee Thomas

“ Please know you all will be in my prayers. Alma and my mom were like sisters and loved each other. I have some fond memories of our parents sitting around the table playing cards. It makes my heart feel good knowing your mom is now with her beloved husband.
