“ I was heartbroken to hear Bruce went to heaven. I had a nice talk with Paul Walbridge yesterday after boys soccer game. Bruce still is The Greatest fan ever! I just loved hearing of his journeys and how proud he was of his whole family. We both love cars. I just enjoyed his knowledge of sports. I pray for comfort for the family. Sorry to miss his service because I am on an old car road trip journey . My best wishes to everyone.

“ I have known Bruce since his and Mary's dating years. Mary and I hung around while growing up. I always loved hearing her sing. We were neighbors on Rockland St so when Bruce was courting Mary we all hung around. My immediate memory is seeing him sitting on the front porch swinging. I can vividly see him. Bruce was the love of Mary's life. My deepest sympathy to all of you. May you have comfort in all the memories you have.

“ My condolences to Bruce's family and friends. I knew Bruce & Mary years ago when my sister lived next door to them. They were all good friends and I know if she were here, she would be offering her condolences as well. Penny (Shene) Marshall
