“ Carol - My “Stardust Twin” — My Friend
We shared not only a birthday, but also the good and bad times of growing up. Some of the best memories were down at the farm in summers; along with a few sketchy ones like the time we were detained at the border, Yuk-yuk!
My deepest sympathy to Carol’s wonderful family. You know how much she loved each of you. I think she would want you to share all your happiest memories now; so that when the pain and sadness subside, thinking of her will make you smile.

Love to you all,
Sandy McCray & Gary too
