“ I remember when chad came home from Florida. He stopped in to see mom at her house. Chad was my first cousin. We always called Chad "cuz". When we purchased our house in Arizona, it was need of a paint job. We flew chad out and he painted our whole house in 3 days. Never spilled a drop of paint anywhere. I think of him everytime we go there. He made a beautiful swing and slide playyard for our grandchildren when they were 3 and 4. Its still in use 9 years later at the now day care center. I always had a special place in my heart for him. Will miss him greatly. Sleep well sweet cuz. Give mom a hug for me.
