“ I happened to read about a fund raiser for animal shelters inviting riders to join in July for this benefit. The name Chris Lyng caught my attention as I met his parents while stationed in Malone both in 1969 and again in 1986-88. The Lyng family is related to my Lyng Family-Edward and Mary Lyng, Watertown, NY. I live in Ogdensburg working in the Vocation Office for the Diocese of Ogdensburg. I will pray for Chris and his family and above all for the success of the fund raiser. Sister Mary Eamon Lyng, SSJ, 06-25-2024

“ My sincere sympathy to the Lyng family. Chris was a true friend and I admired his strength and positive attitude towards all he had to endure. I will always remember his visits to VT and how he would catch me up on our Class of '70 and if there had been any changes in Malone. I still remember Chris arriving at our Class parties in his turquoise Mercury and how we enjoyed some liquid refreshment in the trunk!!! Rest In Peace my friend. You will be missed.

“ To all the Lyng family I send my sincerest condolences. I know this has been a very hard time for all of you. Chris was a very dear friend and I enjoyed being in his presence. He was very kind and caring. It was such a thrill for me when he would bring me for rides on the SPYDER! We would stop and have lunch somewhere I had never been and then continue on the most scenic rides! What a thrill for me and he knew how much I enjoyed the rides. I will always have those wonderful memories.

“ Dear Lyngs,  
The Lyng family has always been there for the Wilson family, in good times and bad, ever since welcoming us into your neighborhood in 1955. I have many wonderful memories of times shared with the members of your family as your neighbor, your babysitter, and as your friend. It has been fun watching you siblings grow, mature, and become the fine people you are. I am thankful for the friendship of the Lyng family.  
Dean and I send you our heartfelt sympathy and prayers. Love,  
Susan

“ Chris was a very caring man as I'm sure you all know. This past Americade will hold special meaning as we got to sit and chat quite a bit. Out of his kindness he brought me a Bandana from the Retreads in his area as I am a member of the Retreads Motorcycle Group here in Delaware. My husband rides a Yamaha and he sent him a really cool Yamaha wallet a couple years ago. My husband and I wish to send our deepest sympathy to his family. May he ride with the Angels that have gone before him.....and may you RIP kind sir.
