“ I send my deepest condolences to the Titus family. Chris was the kind of man that would give the shirt off his back for someone else. He was a very hard worker and made best out of all situations. Chris always put others ahead of himself and he would help anyone anyway he could. Chris was taken way before his time. Chris and his family are in my prayers. We will all miss him!

My deepest condolences to the Titus family. Chris was a wonderful man, always giving to others without thinking twice. He always helped my father Clark, and was a good neighbor. May he rest in peace and death over his family.
