“ Craig was an amazing carpenter. I was blessed to have him for my remodel. He was such a gentleman. When I came home from grocery shopping he would bring in my groceries. After he finished his job here I would text him when I had gone grocery shopping and wasn't her to carry in my groceries. Prayers to his wife and boy's. May he rest in peace.

Craig has been a long time friend and I used to work with him on some of his jobs. He required good work and done right for the customer. One of the best in the area and will be greatly missed. He left his legacy and I will never forget him. May he rest in peace and may his family find peace as well.
