“ To Dana's Children..I am so sorry to hear about your Mom..she is at peace now and I bet she is watching over you all..I had lost touch over the last few years with Dana, but I have so many wonderful memories of her..Through all the years of our friendship, how she loved her children and tried so hard to make your life a good one..From high school she was so funny and always kind..we had many good laughs..From saying she could drive a standard transmission when she never ever drove one..  
To Dana's husband..haven't never met you I can only say I am sorry..she use to be a bright light to so many of us..My heart goes out to all of you at this time..Barbara Tucker Bennett
