“ Worked with Dan 18 years at the employment training office. Was surprised and shocked to learn of his passing. He and I worked on a few antique cars and trucks and he painted a truck for me. He will be missed. Prayers for him and his family

“ Sending condolences to Dan's family. I worked with Dan for several years at Employment & Training and enjoyed our friendship. He was always very kind and helpful. One night as I was leaving work I noticed my tire was flat. It was a very cold night, but Dan came right out and changed my tire in a flash. That's the kind of guy he was. He always talked about Evan and was so happy to be part of his life. Sending my sympathy, Janine LaClair.
