“ *Craig, Fawn, and family...  
My deepest sympathy at the loss of your father, Craig. I did not have the privilege of knowing him but friends have told me what a good man he was. The loss of a parent is a difficult time in one's life, and my prayers are being lifted up for grace and comfort for you and your family in the midst of your grieving. May our gracious Lord support you in these next days and weeks.*

“ *Unfortunately, I did not know Skip but have known his wonderful wife Angela for most of my life. My heart goes out to you Angela and your family. I know what you must be going through as my husband passed away unexpectedly in February. I am always here for you as you were a huge help to us when my dad was sick and then passed 7 years ago. Please know that you and your family are in my thoughts and prayers and in the thoughts and prayers of the entire Soulier family. Love, Maureen Holcomb*
