“ I want to offer my a sincerest condolences to the Lapoint family. David and I attended high school together and later saw each other often while at work. He was one of the finest gentleman that I ever had the pleasure to meet. He would brighten your day by just stopping in for a chat. He would discuss his illness with you and never complain about his circumstances. He loved to talk about his family, especially his grandchildren! I pray God has a very special place for him as he waits for his loved ones to rejoin him in the future. The world is a lesser place when someone of Dave's caliber departs this world. May his family find comfort in knowing that they had a very special person to share their lives with. - Jr. And Joy Barcomb
