My Dearest Loving Friend....I will cherish our memories of our long time friendship since we were just little kids growing up next door to each other thru our whole lives....You were always there to help in any way you could in good times or tough times.... You always knew what to say or do to pick me up when I was down. You always had that special little laugh and beautiful smile that made the difficult times to disappear and turn to happy times with lots of laughs and so many cherished memories! I miss you dearly my friend....😭 I will never ever forget you! Fly High with the Angels Deb! I know you'll be smiling down on me and laughing that Lil laugh calling me by my nickname "Hey Norkie". Oh What I would give to hear you laugh and see you smile again! Til we see each other again....I will always remember you always My Dearest Friend! 💕💕

“ I first meet Debbie in 1981 at the Alice Hyde Hospital on the Maternity Floor. We had both given birth to our beautiful babies. Four years later we meet again when we started work at NCHS. When God gave Debbie life, he gave her a special gift, a caring compassionate heart. I believe that we are all here for a reason, and Deb's was to touch everyone's life she came in contact with in one way or another. Your life here was short, but you impacted a lot of us with your compassion, your beautiful smile, and your wonderful laugh. I know that you have impressed God also and he will welcome you into his loving arms. I will continue to pray for you and your family. May your soul through the Mercy of God rest in Peace.

“ It is with deep sadness that we heard of the passing of Deborah a beautiful person. We wish we had more time to get to know her but all the stories we heard through others left us with the impression of someone who cared for all, loved her family passionately and left a lifelong impression on all she touched. The happiness that we shared at the recent wedding of her son John and my daughter Alexis was an incredible high point for both families and we are glad that Deborah had that experience. We wish the whole Green family our support and condolences as we say goodbye to a truly special person who will never be forgotten. With Love Damian and Jessie Bivona
