“ Lorraine, Clarence, Johnny and Randy, and families, you have my deepest sympathy with Diane's passing. As you may remember, we met when we were at Lemoyne and formed a lasting friendship. Your Mom and Dad made visiting with your family feel like was like I was in my own home. I could go without talking to her for a couple of years and then call her and talk as if we just spoke a week ago. Rest assured, she had many good friends who loved her at Lemoyne and we will always carry her in our hearts. Love to each of you. Liz Beuerlein Booth aka Roomie

“ On behalf of the Franklin County Bar Association, I want you to know that we are sending our prayers and condolences to your family. Diane worked for a short time in Malone at Poissant & Twiss, and then moved downstate. We all got to know her when she moved back to Malone twenty years ago. She was a valued colleague and a valued friend. I often attended daily Mass in Malone, and I know that Diane took the time from her schedule with the District Attorney's office to attend Mass. I expect that she is truly at peace now and she has been very much missed.

Her faith was so strong and she had a terrible cross to carry. I know God has received her with open arms and I would like to think she has joined your Father, Mother, my Mother and others she loved and found peace. May God bless each of you during this very trying time, Nina
