“ My deepest condolences to Ducky’s family. Our families were neighbors when we were kids. He and my older brother Wade were friends and constant companions in those days and perhaps are once again in heaven!

“ My deepest regrets and sincere condolences for the passing of Duck. I have many memories of Tom, Donna, and Duck while my family spend many weekends with Aunt June and Uncle Leonard. Much laughter during our young growing years. I believe he is the first of our generation to pass. Duck was a cousin I will miss. Len Demarse
