“ *My most sincere condolences to Donna's family and friends.*

I remember Donna as being a solid, good person. She never said anything bad about anyone, never seemed to lose her temper, always on an even keel.

We were softball teammates for years; even played under the lights in what was called Bailey Ave. Park. And we all sang "100 Bottles of Beer on the Wall" on the bus rides back home more times than I can count. Go Miners and Yankees! She will be missed.
