“Daddy you are the greatest man one will ever know. You had so many wonderful friends. You blessed us they day you brought Nancy Ashline and her family into our lives. She took us under her wing and became a mom to us and her kids treated us as family. It gave me such joy to watch as the to of you started to knock items off of your bucket list that both of you wanted to do if life. I am so comfort ed knowing that you were so very happy. I will continue to live life with everything you have instilled in me and I will thank you everyday for making me the woman and mother I am today.
