“ My name is Kathi Dunphy and I live in Raleigh, NC. My family moved to Owls Head in 1946. I was 4 years old and I have very fond memories of Eleanor, Valda, Wesley and Jimmy. We bought milk from the Benwares and spent many summer evenings playing on the farm. We learned where milk, butter and cream came from. We caught lightning bugs, I remember "Tojo," and the kitties who got a "squirt" when "Nap" was milking the cows. I remember the milk/cream separator. My sister and I visited with Eleanor when I traveled to Owls Head. We indulged in giant ice cream sundaes. My deepest sympathies go out to all of you on the passing of your Mom, sister and friend.

“ I remember the many years of her coming to our house to play cards with mom and dad, or invited for a meal, or just visiting and laughing with family. She had a beautiful voice and amazed me one day when she played the guitar and sang "Ring of Fire." My greatest memory of Eleanor will always be how every time I would run into her, she would always give me the biggest hug and kiss and always say, "you remind me some much of your dad." Now she will see the man she worked with for so many years. You are In a better place now and I know you will still be watching over us all. May you rest in peace.

“ As a kid I grew up next door to where Eleanor lived. I remember one Halloween when I was a teenager I dressed up as an old man with a cane and walked down the road and up her driveway. Eleanor being the nice person she was let me right in her house and gave me a seat before she even realized it was a costume. When she turned her back to me I took my mask off and when she turned around she jumped and screamed because she didn't expect me sitting there. We had a good laugh and she reminded me often about that day. Rest in eternal peace Eleanor you were a great person and a great neighbor! Gary Wemette.

“ My thoughts and prayers are with you all. It is one of the hardest things you will go through with the loss of your mom. Just remember she will be watching over you all and it is just a twinkle in God's eye before you see her once again. May God bless you all with the strength to get through this trying time!
