“ *Booie, Steve, Seth and Family*

Joe and I are so very sorry. We know how much you will miss your Mom and how special she was to all of you. I was just about Seth's age when I lost my Nana and I truly know how very hard it is to let go but the memories are so helpful. Every once and a while a tear will stream down your face for no reason other than you just miss them. Just remember all the good times and just how much she loved you guys because that love will never go away. God Bless all of you. We love you lots.
