“ When I first met Pepe, I knew that Rob (my husband) was from a wonderful family. Pepe accepted me and my two children as his family. He showed us love every time we saw him. We had a bond that I cannot explain. His smile could light up any room and his personality was the greatest. I am so glad he was a part of my family and that my kids got to meet such a wonderful man. He called Kayleigh his little angel, as he wanted Rob and I to have a baby and I am so glad she got to meet him. For anyone that did not know him he was the greatest, nicest, kindness man I have ever met and I am going to miss him and his little smile so much
