“ I was deeply saddened upon hearing of Fay's passing! We had so many wonderful conversations and visits and she was such a great friend! She will be missed but remembered by me and my family. She would come into my beauty shop and we would spend so much time talking and I think my family all got to know how special she was by me relating our chats. She always had a smile and a story. She treated me and my family like her own family! I loved her. My deepest sympathies to her family!
