“ "Fabulous" certainly describes Fran! I so enjoyed seeing her when I visited friends in Malone. We'd talk about our mutual Pennsylvania roots and our love of New Year's Day pork and sauerkraut. I will miss her elegance and her quick wit. Deepest condolences to her family.

“ I and so many others are going to miss Fran terribly. Fran came to my reading session at the Farrar Home on Thursdays whenever she could. She was so very fun loving. Told stories, joked. Helped me pronounce words I couldn't, and gave me the definitions of them. Answered questions. When I finger played the piano, she always requested Jingle Bells, sang along with it and the few others I could halfway play. She tolerated my mistakes with humor. I loved her and am so sorry she will no longer be with us
Rest in peace Fran. My condolences to your family and friends of which there were legions.
