“ It was such a shock to lose George, especially the way we lost him. I cannot picture George without a smile on his face. He loves his family, his wife, his children, and his mom. He would have never left you had it not been for the sudden and hard to identify mental health disorder. Therefore, he was NOT himself for the last few months and he definingly was not himself the day he left us. We all loved him; I loved him, and I will miss him.
