“ I have known Art for 20 years and I rented from him for 10 years off and on. And if I could rent from him another 10 years I would. He made my life very comfortable he was like a second father to me. His house was very peaceful quiet Serene and secure to the fullest. The kind of place where you could drop your money on the desk and nobody will take it. May this man rest in the Eternal Bliss with his wife Dee. And he has my prayers to the fullest. From his respectful tenant Bill Stacy.

“ I am sorry for your loss. Art was my landlord years ago, and I enjoyed his sense of humor and his fairness. He and Dee took good care of us during the Ice Storm too. Learning about his military service only increased my respect for him. I lived away for many years and moved back to Malone in 2017; I am glad I ran into him once last year or so and was able to chat for a minute. The world needs more good men like him. Sincerely, Greg Cook
