Tina, so very sorry to hear about your sister, Helen. She was a great gal and loved her little dogs. I can still see her walking them around town. Always loved her and Larry. May she rest in peace RIP

Larry and family, I am so sorry to hear of Helen's recent passing. I got to know Helen a few years back when she Joined Lia Sophia Jewelry with me. We went to Milwaukee Jewelry Conference together and had so much fun. Helen loved her jewelry and always wore it so tastefully. She was such a very classy lady, wife, Mother and Grandmother. We all loved Helen, I notified the girls in my group and they all send their condolences. I bet she is blinging it up in Heaven.

To the Yelle Family, I am so very heartbroken for your loss. She was my little sister, who loved to call me her nickname Mannan since she was little. We also worked for years together at Wyeth. Every break and every lunch. The holes in our hearts can never be replaced. We have our memories of her I am sure we will never forget. I hope your little dog is kissing your face
