“ I'm sad to hear about Janice. My thoughts are with her family. She was cousin to my father and a life long friend of my mother since they graduated from high school together. She helped me with family stories and with photos for the past 30 years. She will be missed by her many Bashaw cousins in Chasm Falls and Owls Head and everywhere else as well.

“ You will be missed very much on Fort Covington street. I will miss visiting with you on the porch and the girls will miss bringing you flowers. It was an honor to have been your neighbor for the last few years and getting to meet your caring family. I will miss waving to you next door.
