“ Dear Bill, John, Steve, Lynn, and Lee, we understand your pain and loss and sorrow at this time. Sincere condolences from Mom, Gisele and I. Your Mom was such a good woman with so many great qualities. I, personally, loved how her eyes lit up with delight when she smiled in amusement during conversations. May you, and your families, all be blessed with courage and consoled by the memory of her love for you.

Fondly,
Julie L. Johnston
