“ Joel and I were elementary school friends. Our families attended Our Lady of Fatima church in Westville. We rode the bus together and went to Lambertton School. I will always remember his laugh and smile. He was very kind and friendly to me even though I was terribly shy and goofy. Sending a Light of love to the family.

“ I’ve known Joel since I was in middle school. Being best buddies with his brother Jeff, we all hung out in a group. We spent decades all together rooting for our Buffalo Bills to win the Superbowl. Joel was a wonderful human being, he could always lift your spirits when you were down and make you laugh. I will miss him and his laugh. We have been through some good times and bad times together and I consider him to be my brother! Sundays will never be the same .. Until we meet again my brother I love and miss you dearly
