“ Dad, gone but not forgotten nor will you ever be. You are now with family members so I know you are not alone. May you be free of all and any earthly pain. I will always remember our great many adventures. And great they were. The Texas Road House, The movies,wal-mart but best of all OUR shopping trips to aldis. Your the only one who liked and would shop with me. How many daughters get to enjoy there time with there father as I did. I wouldn't have traded it for anything. Never forget I Love You! I know I will see you again someday but not soon enough. May you forever rest in peace. With all my love.
