“ I am so sorry to hear of the passing of Mr. Robert. I grew up across the road from the Robert's in Whippleville, and visited that store on a daily basis. Ken always played a trick on me when giving me change. So many great memories. My condolences to all of you.

“ Sorry for your loss, your parents were great friends with my mom and dad. When my kids were little, your dad gave them each a wooden wine box from his store that's they used for years. He always had a quick smile and a wink whenever we saw him. Your mom was a wonderful woman too, miss them both.
