“ I am saddened to learn of Ken’s passing. He and I attended the University of Dubuque and for a period, I wore his fraternity pin. I watched him play football... tougher than nails. And yet a gentler man you’ve never met. I remember the spring I visited his home in Malone and met Bruce and Bernice... wonderful people. I have nothing but the greatest memories of a fine man...Ken Scott. Always the gentleman; always asking “are you happy?” Our paths were not destined to be traveled together through life. And yet we were both blessed to find the loves of our lives in his Susan and my Tom. My life will always be richer for having had Ken in it during a brief period of wonderful college days. My prayers to Nancy, Helen and Peter as well as his children. May he be in the arms of our Savior, Jesus Christ. God-speed.
