“ *Sir Kerry was a great man to us. We build a strong bond through almost five years in visiting us here in the Philippines. He never treated us others to him but a family. He served us as real father . He really love my daughter and took as his own . We really miss him . His jokes , his laughters, and his tears . We will never forget everything about you sir . You will always remain in our hearts filled with such memories. Condolence to the family.*

“ *Kelly and Kevin,
I am so sorry. I am just finding out about this. I feel terrible that I've lost contact with "The Big Six" over the past several years. Leonard was one in a trillion. Everybody who has ever known him is better off for it and will forever be sad for him not being here anymore. I hope you both are well. I have lots of pictures of him from our younger wilder days if you're interested in any. I really am sorry.

“ Myself "Rodney" and my wife Qiaoli met Kerry in Shanghai where we lived. Kerry was such a nice and kind hearted person. We all got along so well and had so any good times together. He left Shanghai before we did and had planned to get together here in the states after the new year. He will be sorely missed and always loved. Our thoughts and prayers go out to all his friends and family.

“ This is a message from John & Pam from the UK. We had the great pleasure of knowing Kerry from 2016 to 2019 when we were living in Shanghai. Kerry was always a true gentleman and a pleasure to be around at all times. We shared many laughs, beers and at times we had some heart to heart discussions about the world & our friends. God rest his sole as he will be sorely missed. Love to all Kerry's family & all who knew him at this difficult time.

“ I never knew Kerry personally, but I was fortunate to have worked under his Mother Kate at the USPO at Chateaugay. She was a most wonderful person and I am sure she and Ken and Kerry are now reunited. God Bless.
