“ To the Gillette family I was so saddened and heart broken for all of you. I'm so sorry you just lost your mom and now your dad. They both were like a mom and dad to me. Kimball was a great man, hard working, loving husband, to Alice they were never apart they had one of the best love stories around, a great father, and the best Papa to all his grandkids, and great grand kids ! Him and Alice will be missed. I can see Alice and Kimball up in heaven dancing and rejoicing together on those golden streets! I am just so sorry for y'all's loss! There is so many memories of them both. I really think in my heart they loved each other so much they couldn't be apart! Love to all of the family!

“ To all the families of Kimball, I am very sorry for the loss of Kimball, and his wife Alice, which I just learned of. They were both very nice people and I spent a lot of time at their home when Alice had The Knot Shoppe. May your memories and the care and love of family and friends help you through these difficult days .
