“ I only knew Laura from what I have heard from her sister Brenda. I have known Brenda for about 12 years. Over those years Brenda spoke highly of her sister. She shared Laura’s strength while overcoming illness and becoming a survivor. She expressed great joy when she talked about Laura’s generous nature and big heart. Sure siblings have their ebbs and flows but there is no doubt in my mind that Brenda loved and will miss her sister. So, to Brenda and the family we extend our condolences for your loss but it sure sounds like the world was a better place with Laura in it. Keep her alive with your fond memories.
