“ Our heart's are hurting to hear the news about Lloyd. We recently moved to Clifton Park in May of this year and Lloyd has been such an amazing friend and neighbor. That man would give you the shirt off his back if you were in need. So willing to drop whatever it is he was doing to come give a helping hand. My husband who is far from a handyman went to Lloyd for advice for everything!!!! Our 6 year old son learned how to ride a bike over this past summer and has grown out of his old bike, just a few weeks ago Lloyd dropped him off an almost new bike for him to use this up coming summer for free. Lloyd was such a caring loving soul. We are truly going to miss him here at D & R Village. May you Rest in Peace Our Dear Friend. May your family and friends find Hope in the Lord during this time. God Bless

“ Our heart goes out to Lloyd's family and to Debbie. Lloyd was such a wonderful neighbor to us. He was always willing to help a neighbor in need no matter what. Last year in negative temperatures he helped unfreeze our pipes at 6:00am. During the last snowstorm my husband and I came home to our driveway already plowed and we know it was him who again lent a hand. Each morning he would greet us at the bus stop to see how our morning was going. Such a kind man to be gone too soon. May you rest in peace Lloyd.
