“ Shawn, Christopher, Dick and Ellen I am so sad to hear of the passing of your special mother and sister. Lynda was always so full of cheer and laughter and a smile that radiated nothing but love and kindness. She will so greatly be missed by everyone who knew or met her..

Lynda did so much to help my family through the arrangements when my father and mother passed away in the pass few years. My mother and father always looked forward for her phone call to keep them updated on local events from Malone, they talked for hours sometimes.

The Lord has opened his arms for this very special angel.

“ *I am so sorry that we have lost you. I will remember the little chats we had when we bumped into one another. You were a friend to all. When the Lord called you home, he left a gift of memories in exchange. Rest in Peace My Friend - Snuffy*
