“ *Jane and Gary,  
We just heard about Caroline’s death. Please accept our  
condolences. Even though we haven’t seen her for years, she was  
one of the “Hogansburg Gang” and we are becoming fewer and  
fewer as years go by. We are all getting up there in years.  
Distance has separated us but the good time memories remain in  
our heart. Once again please accept our condolences.*
