“ I am a nephew of Margaret's. Her sister-in-law, Helen (Fitzpatrick) Todd, was my mother. Margaret was a humble, very pleasant, and unassuming happy soul. I tried to locate her fairly recently at the Farrar Home and the Alice Hyde Center but they were not able to tell me where she had relocated to.

“ I am so sorry for your loss. I worked with Margaret many years ago @ Holland & Main. She was Donald's right hand gal.....I so enjoyed her sense of humor. Know you are in my prayers.

*I took care of Margaret at Pine Harbour where she resided before her illness. She was a fav of mine. I loved talking with her about her growing up years and the horses. I loved to make her laugh...sometimes we'd laugh about nothing. I miss her.*
