“ Not only will I miss our daily quick chats on the porch or in the driveway, about the birds, squirrels, mail delivery, weather, whatever, but the apartment complex will not look the same without your many flowers, garden and seasonal porch decorations, your special touch. Most of all, Margo, I'll miss your hugs. Gone much too soon. Love, Rolene

“ Tim and Children, Steve, Mike
So sorry to hear about Margio. Her and I shared our birthdays, she was a little younger. We had so much fun at conventions. Before I really knew all the girls they pick me up and Margo says you know where we are going I said yes here she hands me the car keys, she didn't even know me yet. Hadn't seen her in years and several months ago we ran into each other and talked about all the old days. And laughed about old times all over again . May she rest in peace, Bless her and all of you!
