“ My thoughts are with Marlene’s family and friends, especially her children. During my years in Malone, she was always a friendly face. We shared laughs over wine and vented about life’s aggravations on more than a few occasions. I will remember her fondly and will always appreciate her kindness. Wishing you all comfort in your sorrow.

“ I am so sorry for your sad hearts following the loss of Marlene. I have fond memories of seeing her in NC when she visited Julie and Duane. I smile when I think of her dry sense of humor. I also remember her pride in Will and Ellie and how much they have accomplished. She holds a special place in my heart. I love you all and am sorry I will not be at her services. Please know my thoughts and prayers are with you all.
