“ Dear Legacy Family,

I have wonderful memories of your mother from my youngest years of childhood. When I would come over I was fascinated by the door under the stairs. She always had wonderful baked goods and was so sweet. She was a great 4-H leader and a kind hearted person. I remember when all of the neighbors would go on family picnics together, and the kindness she always showed me into adulthood. She was always happy to see me when I could stop by when I was home for a visit.

She will be missed and please accept my deepest sympathy for your loss.
