“ Hi, grandson of Matt (or as I called him, Papa Matt) here, im Noah Hargrave and I was one or two when Matt passed, and I still think of him from time to time, and even though I had few memories of him, I still cherish the small moments we had together, and I thank everyone for saying some kind words about him and it has made me learn a couple more things about him, love you Papa Matt. ❤️

“ We are so very sorry to hear of Matt's passing. We both worked with Matt at McCadam Cheese Company, and have our own individual memories and stories of our experiences working with Matt, but they were all similar - he was great person, and a joy to work with, the world is surely a dimmer place without him. So very sorry, take solace that he has moved on to a place of pure joy and no troubles or pain, RIP Matt.

“ I am saddened to hear of Matt's passing. Matt was just such a great individual who was always so cheerful to work with and had such a great "can do" attitude in the face of many challenges in his work at McCadam and with his health issues. A real professional in my books. My sincerest condolences to Connie and Ron. Dave and Rosie McNiece

“ I wanted you to know how sorry we are about Matt. I have fond memories of him when he was a student in my first grade class at Chateaugay Central School (1976 - 1977) I also remember the trips he made every day to the nurse for his treatments. It made my heart glad to read about his career, mountain climbing, love of the outdoors and wilderness camping. Liz told me what a wonderful young man he was and how hard he was struggling and fighting these last few weeks. My heart goes out to you and your family. Hold your memories close to your heart and may they comfort you in this time of sadness. With our sympathy, Mary and Jim Lobdell
