“ I am very sad to hear of Mick's passing. I got to know him many years ago when he worked for his Dad on the farm, and then managed the farm on West Hill, I was a feed salesman at the time. I lost touch with him for quite a few years, and then was fortunate enough to meet up again at Titus Mountain, when we both worked there. Mick was a man of few words, but a very intelligent and deep thinker, I always enjoyed our visits on the Mountain. Unfortunately I am going to be out of town next week and will not be able to attend the service, but my thoughts will be with you all. Please accept my deepest condolences to all of you.
