“ Mike was a great guy and a valued employee at Elliot & Hutchins. He always had a smile on his face and was very popular with the other employees at E&H. Dad would rely on Mike to handle various projects at work and with personal projects at our home. Sounds like he had a great life. He deserved it.

“ Mike loved his children. When they were little he was always carrying them, sitting on his shoulders. When Joshua was little, he used to put him in a back pack and take him on hikes. Josh called it his backo packo
