“ *My sincere sympathy to you Dee and All if  
Mike's family. As you know, Mike was a good  
friend and morning gathering at my Dad's. He  
has helped us all at one time or another  
especially my Dad who passed in 2016. I was  
so sadden to hear if his passing. He would stop if he saw me  
outside my home and roll his window down to say hello. He will be  
missed. I am so very sorry for your great loss Dee. You have been  
by his side for many years. God Bless*
